ABOUT THE COURSE

BECOME A JOB-READY FACADE ENGINEER

The Professional Diploma in Facade Engineering is designed to bridge the gap between academic education and industry requirements. Through practical training, software-based learning and live project exposure, we prepare students with the skills and confidence to excel in the dynamic facade industry.

SUITABLE FOR

MECHANICAL
ENGINEERING GRADUATES

CIVIL ENGINEERING
GRADUATES

ARCHITECTURE
GRADUATES

DIPLOMA HOLDERS

FINAL-YEAR
STUDENTS

“ We don't just teach software,
we build facade engineers
for the **real world**. ”
